

GET CARE FROM HOME

Doctors are here for you, 24/7

Visit with a doctor online using Maddy Virtual Care.

Looking for healthcare support but don't want to travel to a doctor's office? Using Maddy Virtual Care, you can speak with a doctor, therapist, or psychiatrist from the comfort of home. All you need is a smartphone, tablet, or computer.

Have a visit for:

- **Urgent care:** Board-certified doctors can help with allergies, flu, and COVID-19 concerns, provide next steps for care, and send prescriptions to the pharmacy you select, if needed.
- **Therapy:** Schedule a 45-minute counseling session to get extra support when you're experiencing anxiety, depression, grief, life transitions, stress, and more.
- **Psychiatry:** Get care and medication management for many common health conditions.
